Showcasing Solutions for Laundry, Drycleaning & Textile Care Industry

INDIA LAUNDRY SHOW

17 - 19 December, 2020
IEML, Greater Noida, Delhi-NCR

19 - 21 March, 2021
Bombay Exhibition Centre Mumbai, India
ABOUT THE SHOW

India Laundry Show aims to exhibit best-in-class equipment & tools, cleaning chemicals/detergents as well as new technologies related to the garment & textile cleaning industry. Catering to a niche audience, the Show provides an excellent opportunity for companies to showcase their products and understand new innovations, in order to boost their business productivity and efficiency. It also helps laundry solution providers keep abreast with latest developments and gain insight into proven strategies that helps them in improving their business’ bottom line. The Show is centered around industry solutions that are competitive, effective and sustainable.

India Laundry Show is an ideal platform that offers a wide range of business and networking opportunities to manufacturers, suppliers and service providers in the laundry, drycleaning and textile care industries. Held as a concurrent event under Gartex Texprocess India in New Delhi from the last couple of years, India Laundry Show will now see its maiden edition in Mumbai. This has been done keeping in mind the aspirations and needs of the various players in this niche industry, who look forward to benefitting from the increased expanse of the Show. The combined strengths of MEX Exhibitions and Messe Frankfurt India are bound to take India Laundry Show to new heights, so that the entire industry could reap advantages of this partnership.
