TALKS

**GARTEX**  
TALKS

A curated series of conferences and expert sessions by leaders and innovators from the industry, offering deep insights into trends, sustainability, and future directions.

*Denim*  
TRENDS

An immersive display of cutting-edge denim innovations, sustainability practices, and style forecasts.

## MAKING A DIFFERENCE

The show stands as a catalyst for transformation in the textile innovations and apparel manufacturing industry. By presenting next-gen technologies, eco-friendly alternatives, and automation solutions, it empowers stakeholders to enhance efficiency, quality, and competitiveness. The event plays a vital role in bridging the gap between buyers and manufacturers and in promoting Indian textile capabilities on a global platform.

## IT IS NOT JUST AN EXHIBITION

It's a movement toward smart manufacturing, sustainability, and collaboration in the garment and textile ecosystem

# WHAT'S IN IT FOR THE BUYERS?

Buyers visiting the show can explore a **comprehensive showcase** spanning the entire garmenting and textile production lifecycle. Whether you're a fashion brand, export house, printing service provider, or a sourcing professional, the show is your one-stop shop for:

- Garmenting & Apparel Machinery
- Embroidery Machinery & Technology
- Automation Software & Services / CAD CAM
- Denim Fabrics & Manufacturing Value Chain
- Digital Textile Printing Machinery
- Knitting Machinery
- Laundry & Finishing Technologies
- Screen Printing Technology

# VOICES

## FROM THE SHOW FLOOR

**SAMEER PAURIYAL**

Director  
Tukatech

Hi, my name is Sameer Pauriyal and I am a director at Tukatech. Tukatech is a US based company, so our specialization is in cad cam solutions, software for product development designing, cutting room solutions and then the hardware - spreading machines, cutting machines and so on. Gartex has always been a good experience for us, this is i think the 4th or 5th time we are participating, it has always been a very good experience in term of business enquiry, networking and then generating new sales and getting to meet industry people and the events are always very well organized, very well coordinated with good visitor profile being insured by the organizers that quality people come and visit us and so on, so yes it has differently been good 3 days we look forward to take part in future Gartex events

**MAYANK A GUPTA**

CEO and Managing Director  
Olympic Zippers Ltd.

This is our first time at Mumbai Gartex, and the response has been tremendous. Many attendees are interested in having a local office or sales representation to access our products quickly. Our zippers received great appreciation from various industries, including raincoat and bag manufacturers, as well as individuals making cushion covers for their homes. This event has given us valuable insight into the market and the quality of products needed. We've also identified the need to enhance our marketing strategy to offer customized products. Many attendees expressed satisfaction with their existing business with us and appreciated the face-to-face interaction. Overall, the show has been outstanding, and I look forward to returning.

**ROHIT GUPTA**

Managing Director  
Balaji Sewing Machine Pvt. Ltd.

This is Rohit Gupta from Balaji Sewing, this is our third edition at Gartex and we have received tremendous response. It has been a great platform to showcase our production and innovation, we have received very good responses, hats off to the Gartex team. They have given us a tremendous opportunity to showcase the best we have. We will be back soon next year, Thanks A Lot!

**SRINIVASAN M**

Regional Head  
Krishna Sewing Solutions

We are a trading company with our embroidery machines. Our basic embroidery machines are Ricoma, it is an US Brand, and we are the exclusive distributor for Ricoma in India. We have exhibited all types of commercial embroidery machines. Our basic machines start from single head & go upto 30 heads. We participate every year at Gartex Texprocess India and it has been a very good experience. We are getting relevant customers. It is a very nice organization and the hospitality is very good.

**B.K. THAKUR**

General Manager, Golden Laser

The over all experience at Gartex has been good we have now been a repeated exhibitor at Gartex, this the third straight year which we are exhibiting in this exhibition and the overall feedback and the mood of the market can be very well assessed in this exhibition and over all we can say that we are happy our targets and objectives have been met, we have been able to cater our products equally to the export oriented market as well as the local market and we feel that in the coming time according to the response we are going to have a good market with the coming month, and we sincerely hope that with these platforms like Gartex we are eventually going to benefited by the overall scenario and let us hope that each year there is something special coming up with these exhibitions and we can cater to more and more new people and we can also showcase our new and innovative technologies to our existing base of clients, Thank You very much!
